As you are aware, this funding opportunity is only available to the California District Attorney's Association. This program is intended for the purpose of establishing and maintaining statewide programs of education, training, and research for public prosecutors, investigators, and law enforcement officers relating to deterring, investigating, and prosecuting high technology related crimes.

The deadline for submitting the application is Monday, May 22, 2006. To receive funding under this program, please complete the enclosed application and return it to:

Office of Emergency Services

It is anticipated that \$248,357 will be allocated for this project for the 12-month grant period July 1, 2006 through June 30, 2007. This project is required to include a 25 percent match on funds allocated (\$62,089) for a total project budget of \$310,446. OES does not have the authority to disburse any funds until the budget is passed and the Grant Award Agreement is fully executed.

Should you have any questions regarding this program or the RFA, please contact Sally Hencken, High Tech Crimes Program Specialist, Crime Suppression Section, at 916-322-0217.

Sincerely,
